

SATURDAY, MAY 21, 1898.

**MONDAY** week being Whit Monday and a partial holiday, it has been decided to alter the date of the annual meeting of the Victoria Recreation Club to Tuesday, the 31st inst. Members are requested to note this alteration on the slips issued with the annual report.

A man named Michael Georgeson was charged at the Magistrate's today that he did unlawfully stow away on board the s.s. *Bentonia*, on a voyage from Saigon to Hongkong on 20th inst. He was fined \$10, or ordered to suffer one month's imprisonment with hard labour.

Capt. Rickert, of the s.s. *Wilhelm*, reported on arrival at Singapore on the 12th inst. that nine shipwrecked sailors were taken on board belonging to the American ship *David Barnes*, which was totally lost in Allah Strait on the 13th April, bound from New York for Hongkong with oil.

The following changes in the local share market were reported after our list went to press:—Hongkong Bank, 190 per cent. prem.—\$302.50; Indo-China Steam Navigation, 801, sellers; What and Godwin, 854, buyers; New Panjans, 80.25, buyers; Olivers Freehold A, 815, buyers; B So, sellers; Hongkong Ice, 8110.

*Spirit and Gossip* makes the following reference to Mr. C. T. Robinson's visit to Shanghai: "An innovation this morning was the 'hookie,' and, strange to say, suited to the surroundings. I must not style him one of the leather-lunged brigade. He was of service to the bankers, and to the 'Pari' as well. I hope he was successful."

The *Shanghai Free Press* of the 12th inst. says:—On Monday morning when H.M.S. *Edgar* passed through the harbour from east to west she signalled for news from Manila. H.M.S. *Reuben* steamed back to the north at noon today after calling at Tanjong Pagar. She leaves for home tomorrow.

"A banquet in his honour at Tokio, Mr. J. B. Morol, Secretary of the United States Legation, gave expression to a vilo libel on Reuter's telegraphic service. He said they came seldom and when they came had little to say. The service has been very much improved in recent years, and it is well to express our appreciation of the improvement."

The hand of the Hongkong Regiment will play the following programmes on the Sea Front at Kowloon tomorrow afternoon, commencing at 2 p.m.:—

As it is not many months since Japanese writers were advocating the annexation of the Philippines it is not at all surprising that the Japanese should now be watching events in these islands with more than superficial interest. The Japanese believe it is their destiny to occupy the Philippines, and the Japanese being now a factor in Pacific politics they will have to be reckoned with when the Spanish-American war is over.

An Annamite steward on board the *Isuzu* was charged at the Magistrate's today, with cutting and wounding a fellow crewman. A Chinese passenger had handed \$3 to one of the stewards, and he refused to share it with prisoner. The prisoner was so incensed at this refusal that he rushed at the steward with a knife in the groin. The prisoner was sentenced to fourteen days' imprisonment with hard labour.

In his short report of this date, Mr. Erich Georg writes:—In consequence of the continued absence of financial facilities, the market has remained very dull and inactive during the week under review. Hongkong and Shanghai Banks have been imported from the north in the early part of the week at 101 per cent. premium, deliverable on 31st inst. The London rate having advanced to 246 1/2 Os. 0d., but later on, in consequence of the unsettled state of politics, a weaker feeling has been experienced, London falling 246, and share sold locally at 180 per cent. prem. cash, at which rate, however, shares are wanted, but are not obtainable.

At the Magistrate's today, Commander Hastings held an inquiry into the circumstances connected with the drowning of a "housewife" and her son, aged eight years. On 18th May, the steam launch *Wing Wing* collided with a fourth-class cargo boat off Jardine's Wharf, West Point, and the woman and her son were thrown into the water by the force of the collision and drowned. The cargo boat was going east in the Southern Railway, and the launch was coming out from the Poy, going North-east. It is alleged that the launch refused to give way, and ran down the cargo boat. Commander Hastings ordered a warrant to be taken out against the master of the launch for manslaughter.

The *Amoy* has left Yokohama at last, says the *Yokohama Herald*. Although the boxes in Court from that vessel have occasioned much trouble to be given them by newspaper reporters, they have not been without their bits of honour. One of the witnesses in the last case reminds one of being asked the same question by the *Yokohama Herald*: "Yokohama," asked the judge, "Yes, your honour," *Yokohama*, said the witness.

Hongkong Tides.

The Tide Table given below has been compiled by the Nautical Almanac Office in London from the result of the analysis of observations taken by means of an automatic tide recording machine in the Water Police Basin at Tsim Sha Tsui during the years 1887-89.

The zero of the table is Low Water Ordinary Spring Tides, which has been found to be 2 feet below mean sea level.

To obtain the depth of water on the tide gauge at Victoria Naval Yard add 5 ft. 7 in. and on the gauge at Leamont Dock, Aberdeen, add 13 ft. 9 in. the height given in the table.

## Intimations.

**WHO ARE THE HAPPY,  
WHO ARE THE FREE ?**

You tell me and I'll tell thee:  
 Those who have tongues that never lie,  
 Truth on the lip, truth in the eye;  
 To Friend or to Foe,  
 To all above, and to all below.  
 We are the happy, these are the  
 Who may it be with thee and me

You tell me and I'll tell thee:  
 Those who have tongues that never lie,  
 Truth on the lip, truth in the eye;  
 To Friend or to Foe,  
 To all above, and to all below.

These are the happy, these are the free,  
 So may it be with thee and me.
